## OUR BODIES THE TEMPLE OF GOD

**THE HIDDEN LINEN COVERING OVER THE  
TABERNACLE.**

## **THE WORD IS OF NO PRIVATE INTERPRETATION**

As we go into this chapter bear in mind that God's word is not the letter in the book called the bible. The letters in the Bible can only become the word of God, if it is breathed on by the spirit of God. The word of God is seen in all of God's creation, all we have to do is perceive it by the spirit. If I was to preach a sermon, I do not have to read a bible, I just need to read what God's spirit says. The spirit of God reveals the mind of God, and anything that originates from the mind of God is truth and is from the beginning. Anything that does not originate from the mind of God is a lie and is of the Devil. We know that after the truth the lie emerges, because truth must exist for a lie to exist. These lies are the things that have brought about misery in this world. So the word of truth or the logos now comes to restore the creation back to that original state when God saw all was good.

I mentioned all of this because as we study "our bodies as the temple of God", I might reach out to the spirit and pick up things that are not written in the bible but may have confirmation in the bible for doubting brethren.

There might be million interpretations of this topic and all may be correct, what matter's is the light it produces for our edification. If you have knowledge of this already, I advice that you still read it, you never can tell. Remember that as light flashes on crystals it emits different colors at different wavelengths but they are all from the same source, light.

God in His wisdom ordered the tabernacle in such a way that every detail of the human structure both seen and unseen has a mapping to it. We have established from previous Chapters that God's habitation has over the years evolved from the Physical Temple buildings to the Head of Christ who is Jesus and finally to the Body of Christ which is the Church.

God did all of this for our edification, it does not literally mean that God ever dwelt in Physical Temples. Nations, people, nature and earthly elements were all manipulated in such a way that a secret message is imparted into His chosen ones who understand. I say

secret because those not called will not understand it. Daniel spoke of many running to and fro and knowledge increasing before the coming forth of the fullness of His promise. Daniel also said that while this is happening the wicked will never understand [**Daniel 12:2-4**]. These mysteries we are talking about will bring about our purification and justification before God. How is it so? Because we get to understand our true identities created Holy and in oneness with the living God. These mysteries cause us to walk by the power of understanding which in turn presents us unblemished before God. From **Daniel 12:9**, it is evident that holiness and Purity before God is achieved by understanding the words sealed up in the book. That book remains sealed in the eyes of those who reject the revelation knowledge of Christ. When you reject the truth you can only expect to continue on in that conscious state of ignorance. So what we are hearing are nothing but the secrets things of God hidden from the foundation of the world to restore us back to the original state in God.

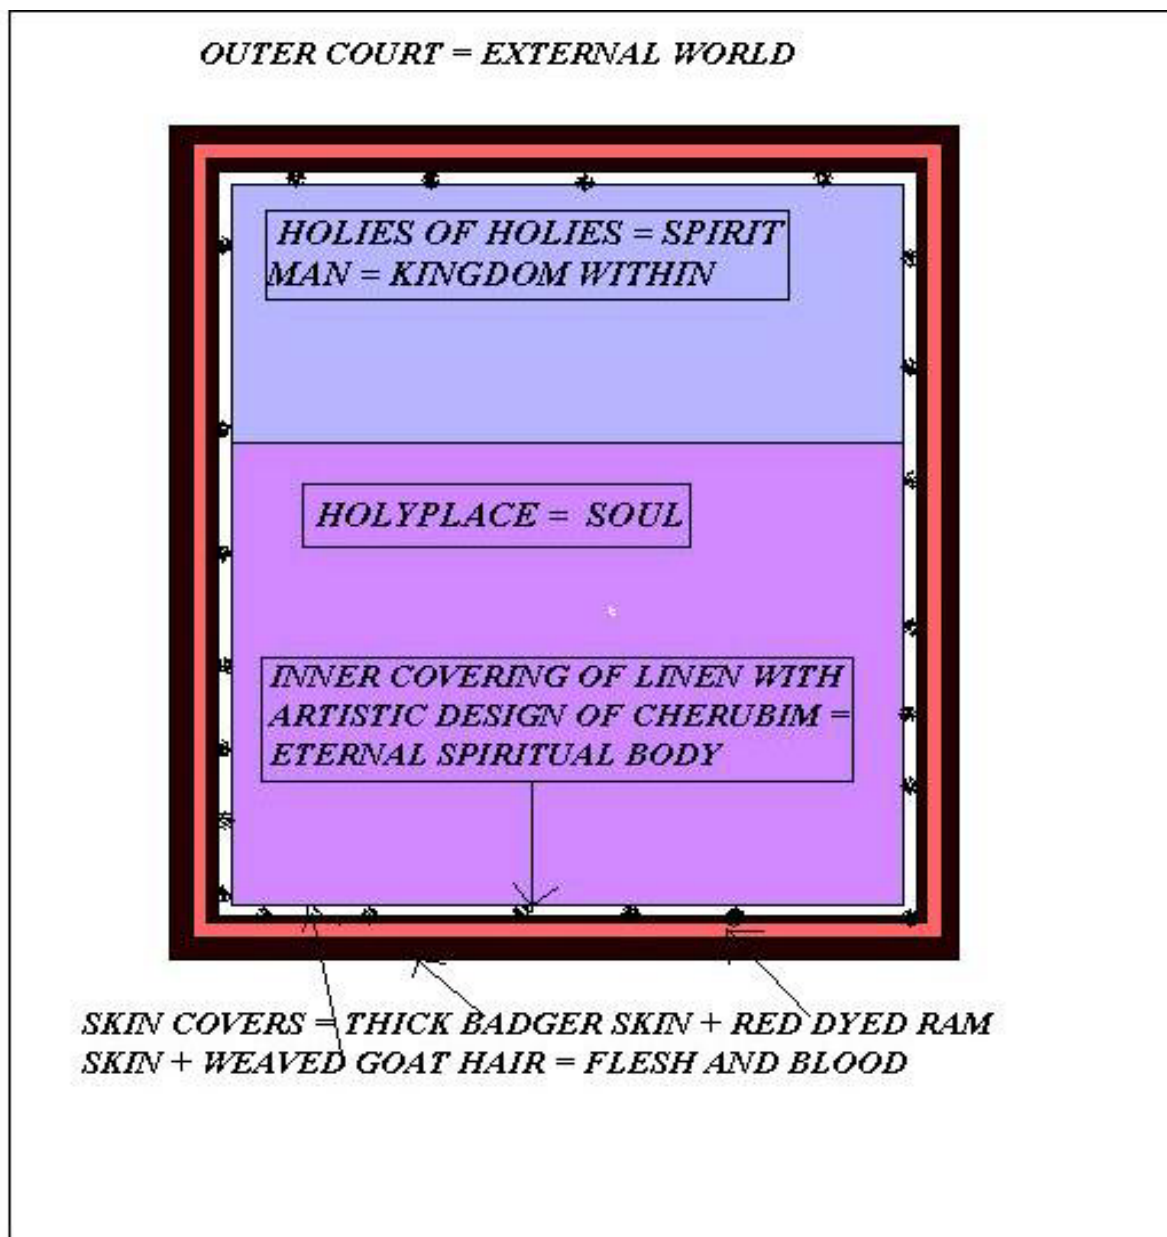

I repeat, God in His wisdom ordered the tabernacle in such a way that every detail of the human structure, both seen and unseen has a mapping to it. The three major components of the human structure are the body; the soul and the spirit are shadows of the outer court + the Skin coverings, the Holy place and the Holies of holies.

The Tabernacle like we established is Christ, when we find ourselves alive in Him we are in the Tabernacle of God. It is a new reality of light and life hidden from the wisdom of this world. The world as we know it lives outside the Tabernacle and cannot see life as long as they remain outside. We have also established that we are the body of Christ which is indeed the temple and the house of God.

The body of Christ is one, even though it is a many-member body. We liken the Body of Christ to a cluster; a cluster is a parent object composed of many child objects that all independently have the same character and attributes as the Parent. The children of the cluster can come together and form a bigger more efficient object called a cluster and at the same time they can act the same way independently. This concept is seen in the world of Information Technology, where many computers are grouped together to form a cluster. A cluster of computer acts as one single unit with much more resources like

memory, CPU and disk space at its disposal. The individual computers can perform the same tasks as the Cluster does but with obviously fewer resources at its disposal. So an understanding of a member unit of the Body of Christ will be beneficial to us. Understanding the human structure as a unit in the body of Christ will no doubt be helpful.

**The Diagram 16a below shows the comparison between the Human Structure and the Tabernacle of God.**

In the Diagram above (16a) by the spirit I likened the Tabernacle to the Human logical structure. I say logical because it is more about the spiritual dimensions in which men live. This book will not cover

the various physical human parts which indeed also reveal the Tabernacle in another way.

The four pictures below show the layers of coverings that were used over the Tabernacle.

### THE SPIRITUAL BODY UNDERNEATH THE SKIN

## FOURTH LAYER

**THE COVERING  
UNDERNEATH OF  
LINEN  
ENGRAVED WITH  
CHERUBIM.**

The first three layers of Thick skin over the Tabernacle represent the outer **flesh and blood body**. God in His wisdom asked that the ram skin underneath the badger skin should be dyed in red to signify blood. The first three layers of skin covered and hid a layer of fine linen cloth that had cherubim engraved on it. That linen curtain engraved with embroidery represents **our true eternal spiritual light body**. Linen is a fine transparent material in contrast to the highly dense three fold opaque layers of skin over it. When we walk in the consciousness of our true spiritual bodies, we radiate the glory of God within us, but when we walk carnally in the consciousness of a flesh and blood personality we can not reflect the glory of God within us because it is veiled by the thick flesh covering.

That body underneath the thick skin is actually the eternal light Body which houses our soul and our spirit man. The internal spiritual Body is the glorious Body is indeed knitted together and inseparable from Christ. No matter what a man goes through in terms of apostasy and death, that internal Body remains intact. That internal Body is preserved by the glory of God which is found in the Holies of Holies. We can call this spiritual body the house not made with hands, a house eternal in the heaven. Paul had a revelation of this eternal house or body that is always in the presence of the Lord [**2 Corinthians 5:1-9**]. His prayer was to be always clothed with the consciousness of that eternal Body, knowing that being in the flesh or the earthly tabernacle meant being away from God's presence.

## **THE RESURRECTION BODY**

The resurrection is an awakening to truth; we awake from the graveyard of Humanity where there is no knowledge of the true and living God. We awake from the slumbering on the bed of this world into a perfect day where the terrors and torments of the night are no more. As we awake we become aware of our true bodies that have been hidden from our sight in our descent into this material world. We arise out of the flesh and blood consciousness and begin to be aware of the fact that we are neither male or female, black or white, short or tall; we become aware of our inner identity as Sons or angels of God, Holy and righteous before God.

Jesus once compared those who arise from the dead as being like Angels or Sons of God. They walk in a new realm and a new age where there are no more limitations. [**Luke 20:35-36**]. The angels that were revealed throughout the Bible normally radiated with bright light because they walk, in the consciousness of the spirit man. In that consciousness the glory of God becomes transparent so that we can see that glory and reflect that same glory. Angels have to personal identity; they are not limited by time and space; the only thing they do is to serve the Lord and reflect His glory. This is the same image we who are called to glory are transformed into, when we rediscover our true selves in Christ.

The resurrection Body is our true body which we lost to the consciousness of this material world. That spiritual Body knows to limitation in terms of space and time, it walks in the infinite realm of God. When we walk in this consciousness hundredfold, our physical bodies are quicken by the glory of God within, so that we can do things the ordinary men can not do. Jesus could walk on the sea and pass through people because He walked in the consciousness of His true self which is the spiritual body. Those who have health and psychological problems become healed as they become aware of the spiritual body hidden on the inside of them. You will agree with me that every man no matter how good He looks on the outward has some form of madness in Him. That madness is cured, as we are clothed with our spiritual bodies from above.

When we slept in our Adam-Like state, we lost knowledge of our true selves. We now understand that individually and corporately we are the house or the Temple of God because the glory of God is on the inside of us even though we did not understand this initially. In the desecration of the Temple, man has lived in a consciousness outside of the knowledge of the Christ within. Christ was revealed to reverse that trend.

### **MAN'S LOSS OF HIS TRUE IDENTITY**

Man is a spiritual being created in the image of God and the image of God is Christ like we have established [**Colossians 1:15, 2 Corinthians 4:4**]. God is spirit and Christ who is created in His image is spirit as we know [**2 Corinthians 3:17, John 4:24**]. So if we are created in the image of God we are spiritual beings. Men who still have the flesh body are not that flesh body but only use the flesh body for their journey through this world. Man has a dual personality that allows Him to fellowship with God and interact with the world. There is a lower interface man who is called the female and it interacts with the world, it is called the soul. The higher interface of man is the male aspect which actually interacts with God and His kingdom it is known as the spirit. (Christ within).

When God created man, the bible says He created HIM in His image. The bible further says He created them male and female, so the two were one in the beginning. The soul and the inner man that is God consciousness were one in the beginning.

#### **Genesis 1:26-27**

**26 Then God said, "Let Us make man in Our image, according to Our likeness; let them have dominion over the fish of the sea, over the birds of the air, and over the cattle, over all the earth and over every creeping thing that creeps on the earth." 27 So God created man in His own image; in the image of God He created him; male and female He created them.**

In the original plan the soul was united in oneness and purpose with the spirit so that it got its influence from the spirit man. The spirit man talks, it sees, it tastes and does all the things that the outer flesh man does. The difference is that the spirit man is in unity with God so that the very heart beat of God influences its actions. The spirit man sees only and hears only what God sees and hears. It speaks only what God speaks.

Man in the fall living the Adam-like consciousness functions in another mode. The soul now gets its influence from the outer world which is influenced by the powers of darkness of Satan. The soul in its sins and trespasses sees only the lies and idols of man's satanic system and for this cause it is eternally condemned. The soul which houses the emotions the desires the thoughts and will of man are darkened in the fall; I say they are darkened in the fall to indicate a continuous fall.

When man falls what happens is that He actually leaves God's presence out of the condemnation welling up from within Him. Skins of flesh are prepared to cover the true light body of man in His fall till the day of His return into God's presence.

**Genesis 3:20-24**

**20 And Adam called his wife's name Eve, because she was the mother of all living. 21 Also for Adam and his wife the LORD God made tunics of skin, and clothed them.**

We should be careful to note that the god that covers man in Adam-like experience is only an imaginary God. In the state of transgression man's conscience reveals a God of Wrath and anger. It is so because of the guilty conscience. God does not go out seeking to lock up man out of His presence; it is man who withdraws from God. Somebody might say, "But the bible says if we withdraw from God He equally withdraws from us". That statement is relative, God never withdraws from man, it is man who withdraws. On

withdrawing, when man turns around to see the gap between Him and God, he feels God withdrew from Him but it is not so.

So man is locked up or in relative terms locked out in skins of flesh so that His true light body and identity is hidden. Man identifies Himself with His flesh body and a carnally derived identity. Away from God's presence, man finds Himself in a flesh consciousness; It is what Paul calls being absent from the Lord and present in the Body. Being in the flesh consciousness man finds Himself subject to a new system called the world system. The world system is a system founded on wickedness where the foundations are not in the name of the Lord. In the world, the consciousness of the love of God is lost, prompting man to search for safety and covering. In man's search for safety and covering He finds nothing but tribulation. All the schemes of men that center on improving this world system will never work until they all revert back to the Christ within. Jesus once said, "in this world you will find nothing but tribulation but back in your true self which is the Christ consciousness you will find the peace and victory you desire" [John 16:33].

Let us shift back to the outer skin coverings of the Tabernacle. A thick veil is set over the heart, mind and all other senses of the soul so that the soul of man does not see God nor does he know God. Man has an image of a terrible mean unforgiving God who will cast you into fire forever. That kind of believe comes about because in the darkness of his mind and an evil conscience, that is the kind of monster god you imagine. The same way we felt when we lived in our earthly families when we did something wrong and imagined an angry Father and started avoiding Him. Your Father might not have been aware, but we felt this condemnation within us. It is all from within.

Some body might argue what about the lake of fire? The fire of God is truth and it comes to burn up lies that keep men in the firm grip of death. When John the Baptist spoke of the coming of The Christ, He likened Him to fire that will burn up all shaft in the unrepentant, because He baptizes with Holy Ghost fire. Isaiah likened Him to burning Flax that will never quench. We never saw physical fire on Jesus during the days of His ministry, but that fire burned and is burning to this day. The fire of God's glory and love is

that which destroys the satanic strong holds. If you reject the truth and the love of God you will suffer loss of that which you hold on to, including your false sense of self. The truth like fire will dissolve every thing that stands up against the knowledge of Christ. The knowledge of Christ is simply knowledge that reveals the true and living God; it reveals our relation of hundred percent oneness with God, besides Him there is no other.

One may ask what about the terrible God that appeared on Mount Sinai. The answer is simple, that god they saw in the wilderness on Mount Sinai is not the God and Father of our Lord Jesus. All those were Shadows of God for people not walking in the true light. When we walk outside the light (Night) You will view God as a terrible flaming fire and you will receive torment which goes in proportion to the knowledge of God that you have. But if you walk in the light you will see Him as a cloud of Love of Favor showering blessing upon you. The hard hearted Israelites viewed God as consuming fire because of their Egyptian (Worldly) minds.

**EXODUS 24: 12 – 18**

**12 Then the LORD said to Moses, "Come up to Me on the mountain and be there; and I will give you tablets of stone, and the law and commandments which I have written, that you may teach them." 13 So Moses arose with his assistant Joshua, and Moses went up to the mountain of God. 14 And he said to the elders, "Wait here for us until we come back to you. Indeed Aaron and Hur are with you. If any man has a difficulty, let him go to them." 15 Then Moses went up into the mountain, and a cloud covered the mountain. 16 Now the glory of the LORD rested on Mount Sinai and the cloud covered it six days. And on the seventh day He called to Moses out of the midst of the cloud. 17 The sight of the glory of the LORD was like a consuming fire on the top of the mountain in the eyes of the children of Israel. 18 So Moses went into the midst of the cloud and went up into the mountain. And Moses was on the mountain forty days and forty nights.**

You see that Moses saw the Glory of God as a cloud [**Exodus 24:17-18**]. Moses was a type of the manifested seed of Christ who had favor with God. So how we see God is a function of our state of mind and conscience. Moses was engulfed in the presence and glory of God for 40 days, but the Israelites on the other hand requested a veil to be over the face of Moses when He came down because they could not behold the glory. Notice that God till not veil Moses they were the ones who requested He be veiled. In likewise manner Adam and Eve were veiled as a function of their guilt. This is the state of man today in the fall, His mind and heart is veiled by the thick covering of flesh so that He can not behold the beauty and righteousness of God in the inner parts of the spirit.

The death of Jesus on the cross had a purpose of reaping apart the skins that have shielded us from God's presence all this years when we found ourselves in this physical world. All along we have been outside the tabernacle in the world. We were conscious of happenings without the courts not really knowing the immortal glory of God hidden in the coats of skins.

No wonder Jesus gave several parables about a hidden treasure without price.

**Matthew 13:44**

**44 "Again, the kingdom of heaven is like treasure hidden in a field, which a man found and hid; and for joy over it he goes and sells all that he has and buys that field.**

**Matthew 13:45-46**

**45 "Again, the kingdom of heaven is like a merchant seeking beautiful pearls, 46 who, when he had found one pearl of great price, went and sold all that he had and bought it.**

That field is our carnal flesh consciousness, in which is hidden the fullness of the glory of God. Jesus has come to give man understanding on how He can find this treasure within. This treasure is a treasure beyond value, because once it is found, man discovers that He is actually one with God.

Men can be houses of idols or houses of God; it all depends on their state of mind. The true eternal part of man is seen in the invisible part of man, it is the inner spirit or angelic body the soul and spirit. The Father who is spirit lives in a spiritual Temple which is man (spiritual body, the Soul and spirit). What did mean Jesus mean when He said if you keep the word of truth, the Father and the son will come and dwell in you, what He was saying is if you have a revelation of the truth and apply it to your life diligently you will suddenly become consciously aware of your oneness in love with the Father. In that day you will call on Him and He will answer, and anything you ask for will be done for you. [**Isaiah 58:9, John 8:29, John 15:16**]

The Flesh or physical body which is likened to the Skins of the Tabernacle or outer court is not eternal; it will be dissolved on way or the other. I say one way or the other because I know for sure that some will actually produce enough faith to take the body into the spirit realm like Enoch did. But remember even if they do, the body is still dissolved, nobody continues on with a physical body. For this reason the outer court was made of corruptible and less glorious materials.

### **WE MUST BE BORN AGAIN**

To see the glory of God man must be born again. We can not see the glory of God as long as we retain the flesh and blood consciousness. We must repent and now return to the spiritual consciousness in Christ Jesus, like Paul says we should put on the mind of Christ Jesus [**Romans 12:2, Philippians 2:5-10**].

Our thinking pattern and our ways of life have to change into that pattern and way that is from above. Jesus once told Nicodemus no one can see the kingdom of God unless he is born again. He went on to say that unless we are born of water and spirit we cannot enter. Flesh is flesh and spirit is spirit [**John 3:3-8**]. **When Jesus spoke of water and spirit He was actually talking about the clouds of God's glory which is actually the spirit of Christ.** This is deep, but

RECEIVE IT. Waters spiritually point to masses of people or nations [**Revelation 17:15**]; on the other hand clouds are from by vaporized water meaning people who are quickened by the word of God. The clouds are heaven bound and defile the laws of gravity meaning they have overcome the power of the grave and are not subject to law. The clouds go wherever the wind blows [**John 3:8**], so it is with those born of the spirit, they are lead by the spirit in all that they do. [**Romans 8:14, Galatians 5:18**].

Jesus was saying we have to change our thinking and therefore regenerate ourselves back from our carnal flesh sates back into the Christ-like spiritual state we have fallen from. As long as our soul and our affections continues on wandering in a flesh and blood consciousness we will not see the good of God's glory Hidden in us. Remember that the kingdom of God is within you, but we can only discover it when we spiritualize ourselves in fellowshiping with the Father. True worship is in retaining our true spiritual state, which is why He says the true worshippers will worship Him in spirit and in truth. Retaining and increasing in Christ is the only thing that can please God. As long as we continue to retain that man of flesh of this world we remain in death.

Flesh and blood cannot inherit the kingdom of God, so we have to crucify our personality that we gained in this carnal seen world and put on our true spiritual identities.

**1Corinthians 15:50 -54 Now this I say, brethren, that flesh and blood cannot inherit the kingdom of God; neither doth corruption inherit incorruption. 51 Behold, I shew you a mystery; We shall not all sleep, but we shall all be changed, 52 In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed. 53 For this corruptible must put on incorruption, and this mortal *must* put on immortality. 54 So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory**

The message of truth is sounding this very moment for all who have ears to hear. If we open our ears to hearken to Him, we will be found in Him once more. If we put on the spiritual eye to behold the thoughts of God continuously then we are transformed into that incorruptible body or we can say we rediscover that true spiritual glorious body in us.

### **GOD'S TRUE INTENTION**

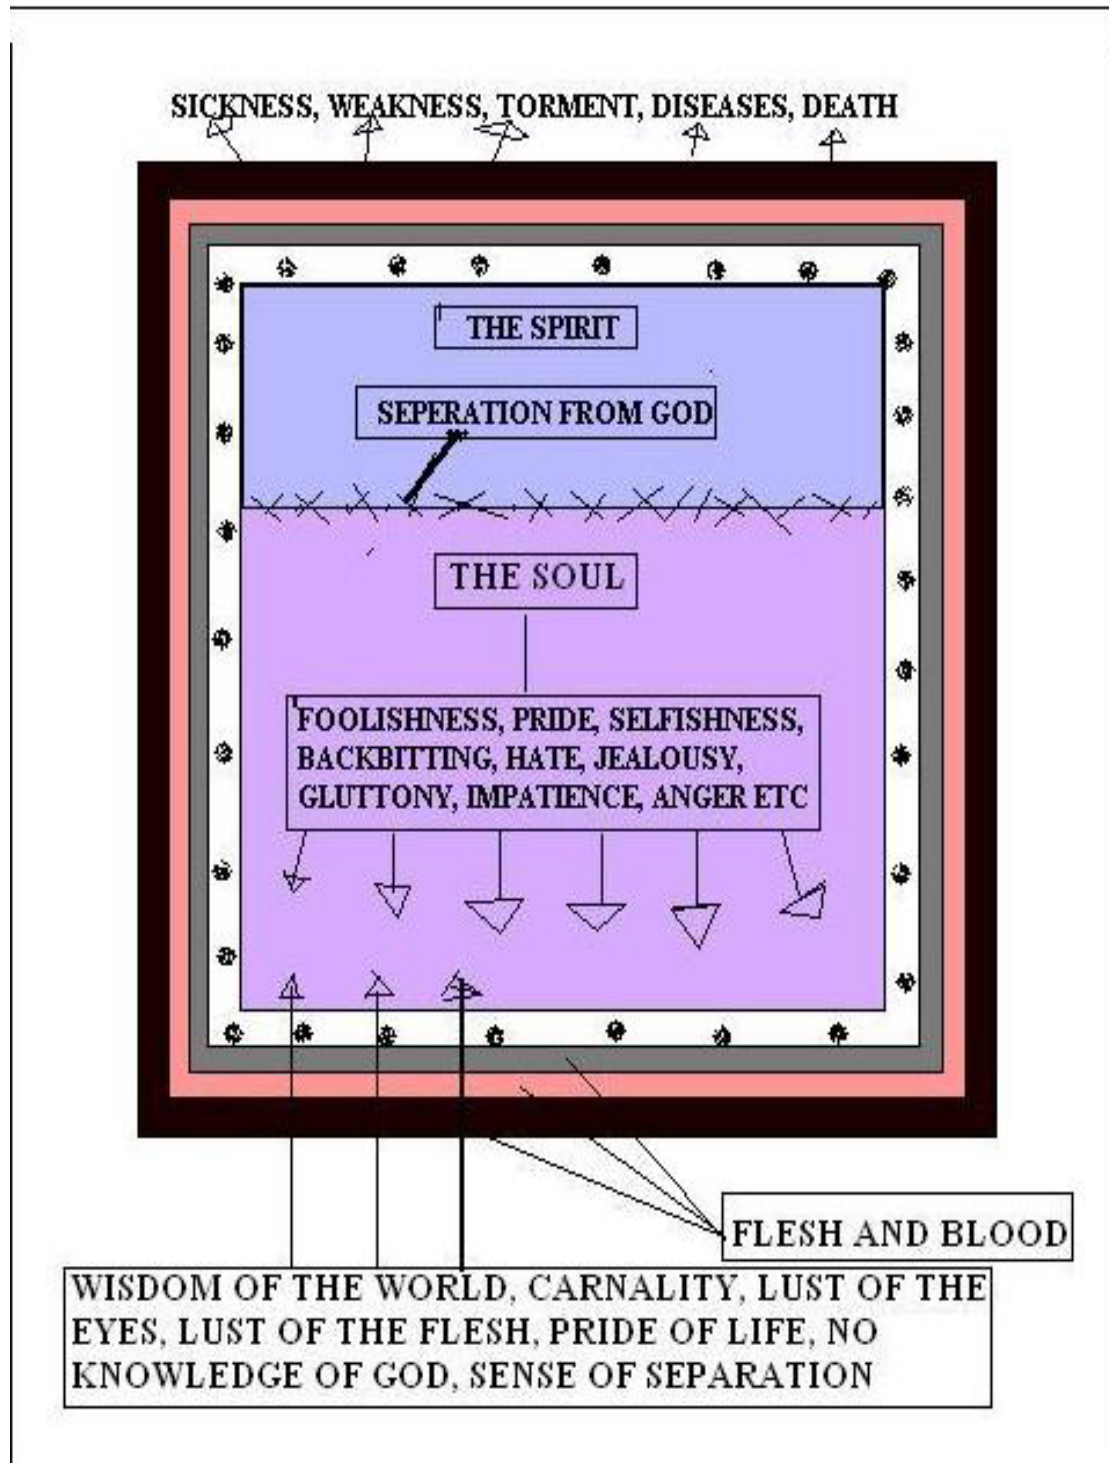

Jesus Christ has come to restore this fellowship of love with the Father by showing us the way back to our first love. Jesus declares this fellowship of love in **John 14:22-24**. God's desire is not that we leave this world physically and go to Him in the sky; His desire is that He comes to play with us in our houses. God gave a condition though and that is, we should keep His word and love in Christ.

In Adam, our houses which prophetically can be viewed as the fallen tents of David, or the desecrated house of God is to be restored to full glory in this last days. The house before now has been a temple of idols, a habitation of Jackals and owls and was literally filled with the filth of the nations, but it is about to be cleaned up [**Psalms 74**]. The soul which is the holy place has been defiled by idols of the world, because it has united with the flesh and has been influenced by that which comes from without. The soul up till now has been subjected to ignorance and darkness, darkness which is outside of God's presence. The soul has been defiled with idols that are not God, idols that have been implanted in us through satanic influence from the days of our existence in this material world.

No wonder when Ezekiel saw men who worshiped idols they had their backs towards holiest place and they faced the east worshiping the sun [**Ezekiel 8:15-16**]. This is a true picture of the soul of man when in the fall. I am not saying Ezekiel understood this, but we know this by the spirit of God. In Adam we all turned our backs on God and worshipped an image that is not God. This is an abomination before God, before now we have highly esteemed the knowledge and images that come from the world without. We have worshipped the elements of this world and esteemed them higher than the knowledge of God the maker. We were told we are being wise

when we extol the knowledge of this world more than that of God, but God says that those things highly esteemed among men are an abomination in the sight of God [Luke 16:14-15]].

**The diagram below show a flow diagram of a soul influenced from without. (The World).**

In the fall the light from the lampstand had not been shining, nor was there bread on the table causing a spiritual famine. The incense burning on the altar was contaminated with strange fires, so that even our prayer was an abomination to God. Our prayers were like an abomination because we prayed after the lust and desires of the outer man.

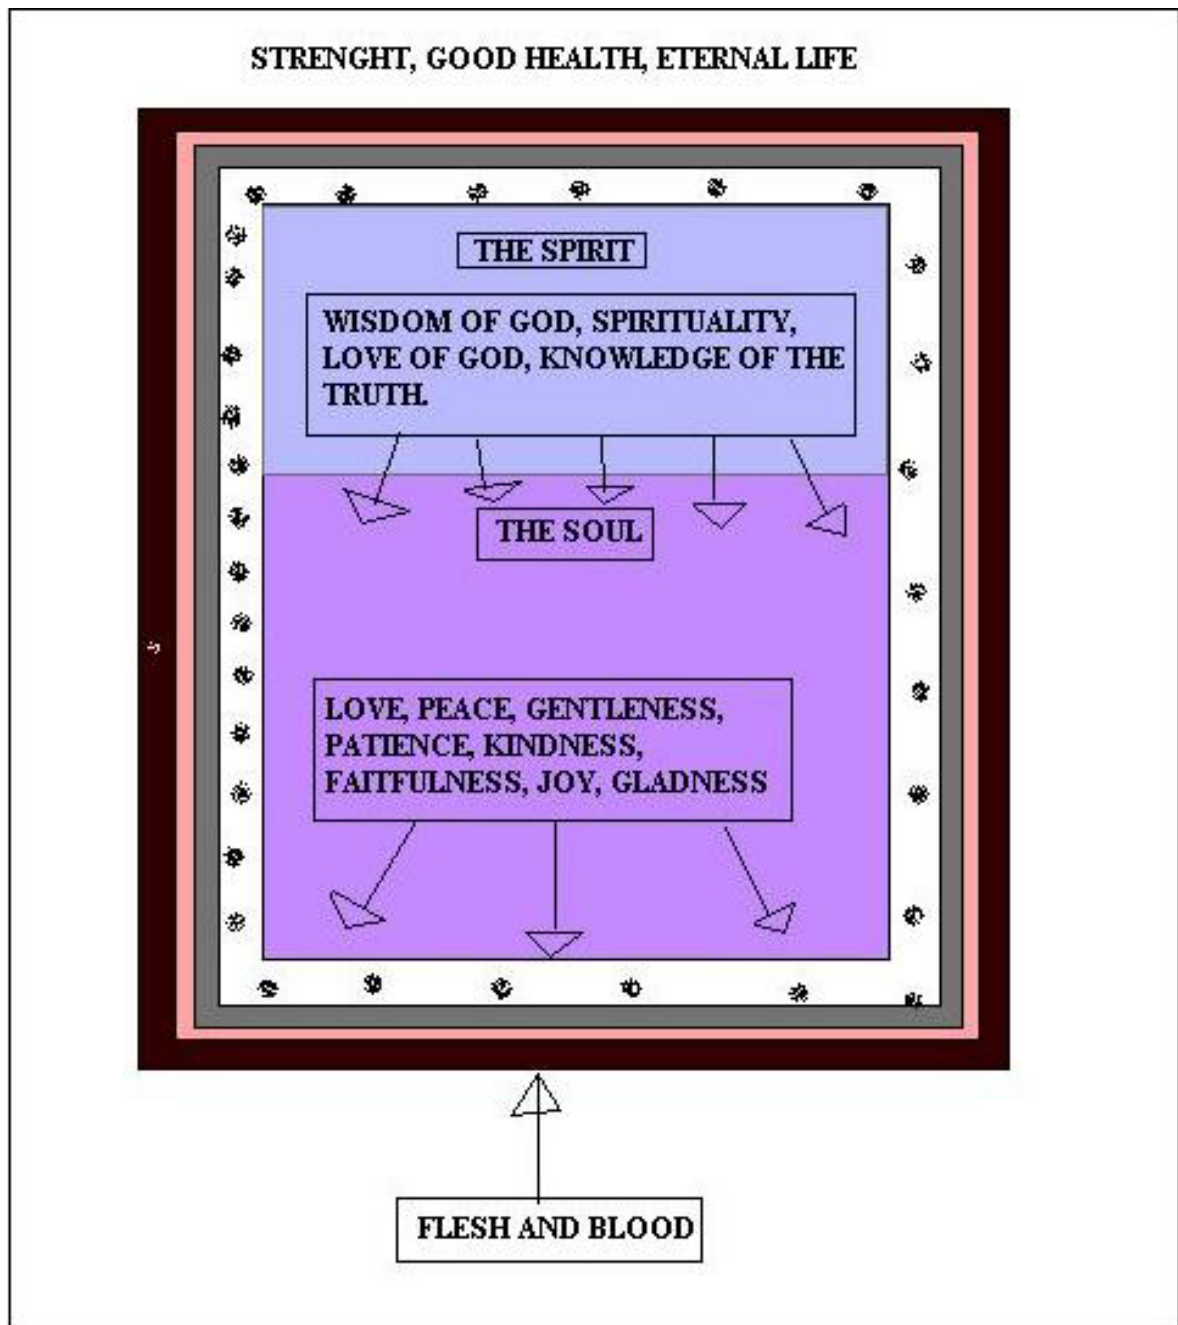

The result of this misplaced affection has brought about the things that defile men. They are an fruits of Jealousy, hate, impatience, intolerance, greed, gluttony, backbiting, anger and many others. They result of all these are the fruits of death like Torment, fear, sicknesses, emotional anguish, madness and all the evil seen under the Sun. By now we know that those who walk in this realm can not inherit the kingdom of God.

Christ was revealed to restore the temple back to it's glory with God in the beginning. We are getting word in this hour, word that will serve to rebuilding the fallen tents of God.

### **RESTORATION OF THE TEMPLE**

As we seek God with the revelation truth that God is pouring out these last days we can be rest assured that the Temple will stand again. It will no longer be temples of idol but temples of the living God. The Lord will send His faithful messengers and His spirit in these last days without measure so that the houses will be prepared for the coming or the revealing of the Lord from Heaven. The famous prophesy of Malachi confirms this [**Malachi 3:1-4**]. In the same way Jesus went into the temples to drive out the gain seekers and to teach them the truth of the kingdom so is the Lord cleansing the Temple up bay His spirit. The Lord will produce a people that will display the perfection of beauty in righteousness to the world in such a way as never seen before in this world. The people will work in ways pleasing to God as in the days of old, meaning that they will return to their original Christ-like state in God. Remember that it is only in our true Christ-like sate that we can please God. Religion or the standards of morality of this world have failed and will always fail.

The Diagram below shows the soul influenced from the glory of God within.

The restoration of the temple will bring about the healing we all desire in every aspect of our lives. We begin once more to retain the wisdom of God from above. The perfect knowledge of God, regenerates us and causes us once more to manifest the life of God. Love, joy, peace, patience, gentleness and every good thing that God

represents becomes our portion in Him. We inherit the life of God, the eternal life promised to the true seeker of God.

Just like the Lord suddenly entered the Temple of Moses as soon as it was completed, so will the Lord suddenly appear after the houses are prepared. We saw this same appearance in the days of Moses and Solomon after the dedication of the temple. We saw this in the man Jesus, when He came to the place of dedicating His life unto God by the baptism. We saw this same entrance into His Temple when the tongues of fire rested on the disciples who were waiting up the Lord.

The truth about all this is that God is actually already present with us, but as we seek Him we shall suddenly realize His presence in the fullness of His power and glory. When the people repent and turn back towards the right direction then they will behold the glory of God once more.

## **OUTER COURT (BRONZE ALTER, BRAZEN LAVER)**

The outer man has to be nailed to the cross with Jesus; we must have repented and by faith accepted the precious blood of the lamb. After this repentance we should be baptized into Him, not looking back into the lies of this world but unto God who dwells beyond the veil. As we walk this walk in Christ we deny the influence that we received or receive from the carnal flesh realm.

## **THE SKIN**

By revelation we now know that beyond the skin or that fleshy carnal man is glory and victory unspeakable. From now on we must move up into a higher dimension within the skin to seek out that treasure. We must pierce through that fleshy carnal veil over our minds and begin to behold the glory of God hidden in the unseen spiritual world or the dimension of His presence.

## **THE HOLY PLACE**

**GOLDEN TABLE**

As we abide in Christ, He prepares a divine table before us so that our soul can eat and live

**Isaiah 55:1-3** Ho, every one that thirsteth, come ye to the waters, and he that hath no money; come ye, buy, and eat; yea, come, buy wine and milk without money and without price. Wherefore do ye spend money for that which is not bread? and your labor for that which satisfieth not? hearken diligently unto me, and eat ye that which is good, and let your soul delight itself in fatness. Incline your ear, and come unto me: hear, and your soul shall live; and I will make an everlasting covenant with you, even the sure mercies of David.

The table of the Lord causes us to feed on truth; this in turn causes our souls to be restored to that lost glory in God. The lies that we fed on before now among the nations of the carnal world are purged. The truth is like the pastures in psalm 23, our souls are restored in the process. The table is prepared in the presence of our enemy (the devil and His wisdom) so that we can overcome Him and His powers of death.

We are converted and translated as we feed on this table of life, because we feed on the truth which reflects the glory of God.  
**[Psalms 19:7-8]**

#### GOLDEN LAMPSTAND

He enlightens our souls by the seven spirits of God on the golden lampstand. We are nourished and enlightened till darkness is no more. The soul now learns afresh how to hear from its true companion which is the spirit man within us. We learn afresh how to walk the walk of the righteous

**Psalms 119:105** Thy word is a lamp unto my feet, and a light unto my path.

The light of His glory shines upon us so that we begin to have the conscious knowledge of our true Father again. We who were once

blinded by the god of this world and found no rest for our souls now see and understand the true God [**2Corinthians 4:3-6**].

The spirit of God enlightens our eyes with the knowledge of Christ so that we can begin to see and be aware of the riches and glory we have in God. [**Ephesians 1:17-18**]

In Adam we had lost knowledge of the truth, all knowledge of our heritage as Sons of God was lost. Thanks for the teaching and enlightenment from the spirit of God. He will teach all things that pertain to life and victory in God. [**John 14:25-26**]

## **ALTER OF INCENSE**

The alter of incense before the veil that separated the Holiest place depicts the prayer aspect of the Soul. Many have a very wrong perception about prayers. If you study the Bible properly particularly the psalms you will discover that prayers are normally given to God for

- 1) Deliverance from Death
- 2) Deliverance from Evil
- 3) Enlightenment with the truth
- 4) Strength to battle on
- 5) The grace to see God's Glory and salvation

I mentioned this because the Nations (the world) pray for riches and more riches. They pray for earthly things that will please their flesh. Jesus instructed that we should not pray in like manner but we should pray for greater things that pertain to live and death. God our heavenly Father will handle the rest. Part of the doctrine or knowledge we receive from this world is the need to be anxious for material things. Men are obsessed with what they will wear, eat, how they will live on in the carnal flesh realm and how to make themselves secure. The doctrine and teachings of this world never tell you that you have a Father who will take care of it all. So in fear and anxiety man is always seeking and never finds satisfaction.

I tell you there is only one thing to pray for, which is "THY KINGDOM COME". The rest follows; He will take care of our

needs by the same power that He uses to sustain the very universe.  
THE LORD'S PRAYER.

**Matthew 6:9-13**

**9 In this manner, therefore, pray: Our Father in heaven, Hallowed be Your name. 10 Your kingdom come. Your will be done On earth as it is in heaven. 11 Give us this day our daily bread. 12 And forgive us our debts, As we forgive our debtors. 13 And do not lead us into temptation, But deliver us from the evil one. For Yours is the kingdom and the power and the glory forever. Amen.**

The prayer that the inner man (the soul) groans and prays for is that the kingdom of God comes. This means that it prays that it is given access into the secret place of God's presence and power. The kingdom is God's dwelling place, and it is found beyond the veil (The Holiest Place). It prays for its daily bread so that it can increase in the knowledge of the Truth. It prays that He is constantly delivered from the evil and curse placed on it by disobedience in Adam. It prays for grace to overcome temptation from Adam-like consciousness in the outside world which seeks to darken it. It prays continuously for a realization of our justification and a conscious awareness of the forgiveness we have in Christ as we deliver others in the same predicament.

The prayer of the soul is towards liberation from death and troubles of mankind into life and peace in Christ Jesus. It is a continuous process as we progress from glory to glory. [**Revelation 8:3-4**]

Those who can pray this prayer are those who have washed themselves with the blood of the lamb and have eaten at the table of the Lord, they also must have been enlightened with the light of God's spirit. Without that enlightenment, you do even know how and what to pray for.

**VEIL**

The Psalmist sings that God heals all His diseases, and delivers His soul from death. We are healed and delivered from the lower realms of death as the soul is granted entrance into the holiest place. To do this we must pass the veil of separation that was opened to all by Jesus. In this place the soul now becomes aligned with God as it was in the beginning. God consciousness comes to its fullness; one begins to hear the loving kindness of God once more, in Contrast to the condemnation and wrath we once felt outside the tents of God. The soul will discover that God was there all along but it didn't perceive this truth.

As the veil parts the soul now sees it's Companion (The male interface) face to face and is united as it was ordained in the beginning.

### **ARK OF GOD**

This once fallen soul now enters into the higher realms of elevation in God; it accesses the ark of God. In the ark of God it is assured of peace, joy and honor. Just like Noah entered the ark and was ushered into a new world so will the Lord usher the soul into the ages to come. Though the soul may see those outside perishing but it remains in the sure safety of God. The soul now hears after God, smells (discern) that which is good, tastes the good and rejects the evil. The spirit man now speaks the mind of God, so that it illuminates the soul. **[Psalms 116:7-9]**

After this glorious union with God in the secret place the mystery of God is finished because we are restored back to the place of the "I AM". We no longer see or hear from God in Shadows but we now see Him clearly. We No more see images of a mean God of hell and fire but we now see a God of love. We work before His face and bless Him for all the Goodness He showers upon us.

**there; and they need no candle, neither light of the sun; for the Lord God giveth them light: and they shall reign for ever and ever. 6 And he said unto me**

Blessed are those who know the sound of Joy, they are the ones that dwell in the countenance of His presence. These are the ones whose eyes of understanding has been opened and the veil over the heart lifted to behold the glory of God. One second beholding the glory is ecstasy greater than all the world can offer.

**Psalms 89:14 -17 Righteousness and justice are the foundation of thy throne: Lovingkindness and truth go before thy face. 15 Blessed is the people that know the joyful sound: They walk, O Jehovah, in the light of thy countenance. 16 In thy name do they rejoice all the day; And in thy righteousness are they exalted. 17 For thou art the glory of their strength; And in thy favor our horn shall be exalted. The fountains of living water that were once blocked and hindered in the fall, will begin to flow again. The rivers of living water within us now flows out to the nations of the world so that they be may healed by the truth and the love of God which the Lord will shows us in that day. Of a truth the heavens and those beneath will see the beauty and the glory of God manifested in the Flesh. They will eat of the fruits of peace, health, power, joy and glory that will Flow from those who find their way back to the paradise of God within.

God bless you as you diligently prepare your houses (Bodies) for the Master to use.
