

# RESURRECTION FROM THE DEAD

**Trevor Eghagha**

*Revelation 20:6 Blessed and holy is he that hath part in the first resurrection: on such the second death hath no power, but they shall be priests of God and of Christ, and shall reign with him a thousand years.*

The resurrection from the dead is one topic that every true professing Christian has to know about, because all the promises of God towards men are found in the resurrection from the dead. The promises of perfect peace, glory and all we can ever think about is realized in the resurrection or awakening of the sons of God. This is the one event that generations past and generations present have sought to understand and enter into. The hope of the whole world lies in this one event which will liberate them from their groaning in the prison cell of corruption unto the glorious liberty of the sons of God.

This book gives greater light on the resurrection from the dead for our edification and our stimulation unto the glory that has been reserved for us from the foundation of the world.
